INSTRUÇÕES DE INSTALAÇÃO / Installation Instructions / Instrucciones de Instalación

É preciso realizar o treinamento da **Capota Rígida Retrátil** para ter acesso aos vídeos de instalação. Se os seus instaladores já realizaram o treinamento da S10, não é necessário realizar o treinamento para a Silverado pois, o mesmo treinamento é válido para ambas as picapes. Caso os seus instaladores ainda não tenham acesso ao **EAD Keko**, inscreva-os através do QR Code ao lado.

You must complete the **Retractable Tonneau Cover** training to have access to the installation videos. If your installers have already completed training on the S10, it is not necessary to undertake training on the Silverado as the same training is valid for both pickup trucks. If your installers do not yet have access to **EAD Keko**, register them using the QR Code below.

Debe completar la capacitación sobre **Tapa Rígida Retráctil** para tener acceso a los videos de instalación. Si tu Los instaladores ya han completado la capacitación en el S10, no es necesario realizar capacitación en la Silverado como lo mismo.

La formación es válida para ambas camionetas. Si sus instaladores aún no tienen acceso a **EAD Keko** regístrelos usando el código QR a continuación.

GARANTIA / Warranty / Garantia

Keko Acessorios S.A. concede ao comprador original dos produtos Keko garantia de um ano a partir da data da compra original por defeito de fabrica<;ao em materia-prima,mao-de-obra ou acabamento, em servi<;o ou uso normal, sendo devidamente comprovados. Excluem a garantia danos ocasionados por colisoes, uso indevido do produto como sobrecarga, limpeza incorreta, instalac;ao inadequada, alterac;ao da concepcao original do produto ou n° de serie (disponivel no produto e na embalagem) de fabrica<;ao removido.

ConservaçãO, limpeza e durabilidade: para limpeza utilizar somente agua, sabao neutro, esponja ou flanela. Para conservac;ao de produtos com acabamento cromo utilizar periodicamente cera automotiva. Nunca utilizar produtos quimicos ou abrasivos, dado que seus componentes riscam o acabamento e expoe a corrosao as produtos com acabamento em cromado e produtos em plastico.

SolicitaçãO da garantia: solicitar a loja em que foi efetuada a compra a avaliacao do problema. Em caso de reclamacao precedente, a peça sera substituida sem onus ao proprietario. O conserto ou substituiçãO das partes do equipamento nao ocasionarao prolongamento do prazo de garantia estabelecido para o mesmo.

Termo de responsabilidade dos produtos Keko: a Keko nao assume qualquer responsabilidade em virtude de ocorrencias de qualquer natureza, decorrentes da ma utilizac;ao/instalac;ao dos seus produtos. Ap6s a utilizac;ao do produto/embalagem recomendamos a correta destinaçãO para cada tipo de material conforme indicado.

Os produtos Keko sãO comercializados como acessórios meramente decorativos e nãO devem ser considerados como medida de protecao para o veiculo, ou passageiros em caso de colisao ou capotagem.

Keko Acessorios S.A. warrants to the original purchaser of Keko's products, for the period of one year, from the date of the purchase, that the product is free from defects in raw material, workmanship or finishing and it is Keko's obligation, under this warranty, to repair or replace, at Keko's election, any part or parts of the product which prove to be defective. This warranty shall not apply to any product which has suffered damage from collision, mishandling, misuse, incorrect cleaning, and incorrect installation or to any product that has been altered from its original conception or had its serial number (available in the product and packaging) removed.

Maintenance, cleaning and durability: for cleaning use only water, neutral soap and sponge or flannel. Periodically use automotive wax to conserve the chrome-plated parts. Never use chemicals or abrasive products not to scratch and expose the product to corrosion.

Warranty Claim: request the shop where the accessory was purchased to evaluate the defect. If proved to be Keko's liability, the part will be repaired or replaced without charge. The repair or replacement of the parts will not result in extension of the warranty term provided.

Keko's Liability Term: Keko does not assume any responsibility for the mishandling or wrong installation of its products. After using the product/packaging we recommend the appropriate destination for each type of material according applicable law.

Keko's products are merely decorative and do not guarantee the safety of the occupant or vehicle in case of a rollover or other vehicle accident.

Keko Accesorios S.A. le concede al comprador original de los productos Keko garantia de un año a partir de la fecha de compra original por defecto de fabricaci6n en la materia prima, mano de obra o terminaci6n, en seido o durante el uso normal, siempre que debidamente comprobados. Se excluyen de la garantia los danos ocasionados por colisi6n, uso indebido de/ producto como exceso de carga, limpieza incorrecta, instalaci6n inadecuada, alteraci6n de la concepcion original de/ producto o cuando se haya retirado el numero de serie (disponible en el producto y en el empaque) de fabricaci6n.

Conservaci6n, limpieza y durabilidad: para limpieza, utilizar solamente agua, jab6n neutro, esponja o flanela. Para la conservaci6n de productos con terminaci6n cromo, utilizar peridicamente cera para automoviles. Nunca utilizar productos quimicos o abrasivos, dado que sus componentes aranan la terminaci6n y exponen los productos con terminaci6n de cromo a la corrosion, perjudicandolos productos de plastico.

Solicitud de la garantia: solicitar la evaluaci6n de/ problema en el establecimiento donde se efectu6 la compra. En caso de reclamaci6n precedente, se cambiara la piezas in cargo para el propietario. La reparaci6n o cambio de las partes de equipo no representa prolongacion de su plazo de garantia original.

Términos de responsabilidad de los productos Keko: Keko no asume ningun responsabilidad en virtud de cualquier tipo de averia que resulte de mala utilizaci6n/instalaci6n de sus productos. Despues de la utilizacion del producto recomendamos el destino apropiado para cada tipo de material, segun la legislaci6n aplicable.

Los productos Keko se comercializan como accesorios meramente decorativos y no se deben considerar como medida de proteccion del vehiculo o de sus pasajeros en caso de colision o volcamiento.
